About I.A.E.A Data Recovery

Company, Location

Lagos and Ibadan . Nigeria

I.A.E.A Specializes on Recovering of Data from any Storage Device.

Goals

There major goal was to increase their visibility of the company website on major search engines. In order to be right there when potential customers search for Data Recovery solutions.

Approach

We wrote quality write ups and optimized their website on major search engines such as Google,Bing,Yahoo.

Results

We were able to increase their visibility in search engine by making their website appear of first page on all major Data recovery keywords. Example : 'Data Recovery Company in Nigeria' , 'Data Recovery Training in nigeria' and so on .

About Search engine optimization

Search engine optimization increases your visibility in organic search . Which makes you appear exactly when prospective customers are searching for your product and Services. [Learn more](#)
